Summary

Pursuing a Bachelor of Technology in Computer Science and Engineering from the Indian Institute of Information Technology, Kota, currently in the 3rd year. Engaged as an Open Source Developer for the Tor Project through the Google Summer of Code '23 program. Proficient in React and web development. Looking to contribute to open-source projects and explore Web3. I'm a high-paced learner eager to devise better problem-solving methods for challenging tasks and continuously adapt by learning new technologies and tools.

Work Experience

Google Summer of Code'23

[Project Link](#)

Open Source Contributor @ The Tor Project
